Fantastic development opportunity in Banff! Nestled on a quiet street just steps from the Banff Centre, this character-filled property offers a rare opportunity to own a double lot exceeding 10,000 sqft in the heart of Banff. Zoned RNC, the lots allow for up to 8 units (with potential for 9+ through discretionary use - FAR 1.0), offering incredible development potential. The home retains its original charm and could also be a fantastic family home with some renovations. The expansive yard is a highlight, featuring a charming patio, firepit, and greenhouse—perfect for outdoor relaxation. It is also ideal for staff accommodation with 6 bedrooms and 2 bathrooms. The basement can easily be partitioned into an (illegal) suite, and with the town’s current financial incentives to legalize secondary suites, this property is a prime candidate. A unique investment with endless possibilities!
