Rare opportunity to acquire this conveniently located 129.91 acre parcel that is inside the city limits just north of the airport. It features a 1400 sqft home in very good condition with a 26' x 36' attached garage (hot water heating in garage does not work) and also a 30' x 48' heated shop. Home offers three bedrooms up and one down, with three full bathrooms, vaulted ceilings, and large covered deck on rear of home. Basement is developed with a huge family/recreation room, office area, bedroom and full bathroom. See photos for an aerial photo of the property and layout of subdivisions. The cultivated acres were in grain, there is a large garden area and many trees on the home site including Haskap berries. Nice tree lined driveway to the home. There is a dugout and also a large slough on the SW corner of the property that the sellers installed a waterline from to the large garden area to pump water for irrigation purposes. Shingles were just replaced and new fridge installed. Take a good look at this property as it has much to offer for the future.
