This is a great 1360 sq/ft bungalow in Highland Park, close to schools and all amenities. This home is dated, needs work & cleanup but has a great floor plan and excellent bones. If you are a first-time home buyer that is willing to apply sweat equity, this would be an amazing opportunity. The detached two-car garage is insulated and heated. The driveway is very large allowing for R.V parking and multi-vehicle parking. The back yard is fully-fenced and the large pie-shaped provides plenty of room for all your landscaping needs.
