Welcome to this stunning 4-bedroom, 3-bathroom modified bi-level offering a perfect blend of comfort and versatility! Nestled on a lot with no rear neighbors, this home ensures privacy while enjoying the beautiful surroundings from the covered step-down deck, fully enclosed with all-round mesh for year-round relaxation. Inside, the ginormous master bedroom features a luxurious soaker tub ensuite, providing a private retreat. The bright and airy main level leads to a massive basement family room, with the option to convert the space into a future suite, thanks to a garage door entrance leading directly into the basement. This home is equipped with central air conditioning, a heated double-car garage, central vacuum and a new motherboard for the furnace. Additional upgrades include brand-new roof shingles installed in 2024 before winter and front and rear lawn irrigation for easy yard maintenance. A rare find offering space, privacy, and investment potential—don’t miss this opportunity to make it yours! Book your showing TODAY!
