This 1.03-acre property offers a 2016 modular home with 3 bedrooms, 2 bathrooms, plus a den/bonus room. The primary suite features a walk-in closet and ensuite with a tub and shower. The 30x30 heated garage sits on a "thick pad with a drain, has two "overhead doors, tin interior and exterior for low maintenance, and radiant heat. It is also plumbed for a bathroom, with a water source setup required. Additional features include a detached garage converted into a man cave with a wood stove, an insulated and heated outbuilding, a 4-stage septic system with recent upgrades, and a 4500L cistern. The fully fenced property has a gated entrance set back from the highway for easy access. A 20ft x 8ft sea-can and fire pit are also included. Acreage living with a fully heated garage at this price is a rare find. Schedule a showing today.
